## Secure your Financial Future Save in **GOLD**

Inside Story Gold	1
World Economy	2
Bright Future	3
Inside Story	4

My name is David Ingham and thank you for reading my News Letter. I am so excited to share with you a great opportunity that I have been blessed with and I want to share this with you.

I am just a normal guy who is married with a family, I own my own house and have an ok life but I want more. I am looking for more positive experiences with my family going on trips together, not working 40-60 hour weeks and create a

full time income online working from home. Having an opportunity that can give you a *life-style*, a life of **significance** and contribution more than all the **Bling**. To have respect and credibility and feel young again.

If this sounds like you then you are in the right place keep **reading** as I am only getting stated.

### WORLD ECONOMY AND BANKING CRISIS

Think about what happened in 2009

with the banking *system collapse* and the government bailouts. Taxes had to be increased to pay back these bailouts that's me and you paying for the greed of the banks and now we are forced to pay more Taxes. More money is *getting printed* all over the world on a daily scale and this will never stop and there will never be enough money to pay back.

The world is still struggling to get balance in the financial markets and

## Gold Saving Can give you Financial

most **economies** are slow and not looking like to improve anytime soon. I do not want to be negative or talk about any *conspiracy theories*. It's just to make you

educate yourself what is around us and what we should do about it. As we do not want to just stick our heads in the sand and hope for the best.

Watch this video here by Mike Maloney to give you a snapshot of the future and how you can prepare and educate your self when the debt cri-

# GOLD and Karatbars International

ses continues and the Dollar loses value.

The best way to protect your wealth is to take your paper money and exchange it for the real money and that is Gold. Gold has been around for Thousands of years and has always stood the test of time and now with all of the financial uncertainty there is no better time than now to get a savings plan in Gold.

Come and join us on a journey of a lifetime through protecting with gold.

Please feel free to ask me any questions I am happy to help and looking forward to welcoming you to our team.

Thanks,

David Ingham
