My name is David Ingham and thank you for reading my News Letter.

I love the *festive season* and **Christmas**, everyone is more cheerful and has a spring in their step.

I enjoy watching all the Christmas movies with the family and cuddling

on the couch together, getting all the classics out like *Star Wars*, *The Lord Of the Rings* and dust of your favourite books that

inspire you.

It's a great Time to reflect on the past year and think what have you done well and what would you like to happen in the New Year.

What you Focus on Develops
